

First choice for Professionals

First choice for Professionals

Oakbridge Financial Services plc is an independent principal lender of short-term finance.

We have a dedicated service-oriented management team made up of banking, legal, accountancy and property professionals who adopt a commercial approach to solving clients immediate cash flow requirements.

Our experience gives us the ability to tailor individual transactions to the needs of each client and provide funding quickly.

We provide facilities to individuals, limited companies, LLPs, sole traders, partnerships, SIPPs, SSASs and Trusts.

Our mission is to provide professional introducers and clients with a fast professional service.

Unless a transaction is particularly complex, we will give an immediate "in principle" decision as to whether or not we can help.

We have offices in London and Manchester and if short-term funding is urgently needed and working with experienced professionals who have a common-sense and commercial approach is important, please contact us.

Why Oakbridge?

We believe a number of factors make Oakbridge a natural selection:

- We can give immediate “in principle” decisions
- Each transaction is tailored to the individual needs of the client
- We can provide facilities with all interest and fees rolled up
- We normally lend up to £2,500,000 although higher amounts can be considered
- Our pricing is competitive with no hidden charges or processing fees
- Our documentation is transparent and in plain English
- We are prepared to provide funding secured by properties located anywhere in the UK
- Professional introducers and clients have access to the key decision makers
- Our management team has banking, legal, accountancy and property experience
- Oakbridge is Authorised and regulated by the Financial Services Authority

When immediate funding is needed, traditional lenders are often unable to deliver in the time frame, and this is where we can help.

We will consider providing funds for any purpose, including:

- Real Estate transactions
- Business funding
- Tax-related matters
- Probate
- Divorce
